

Living Education at a Higher Level

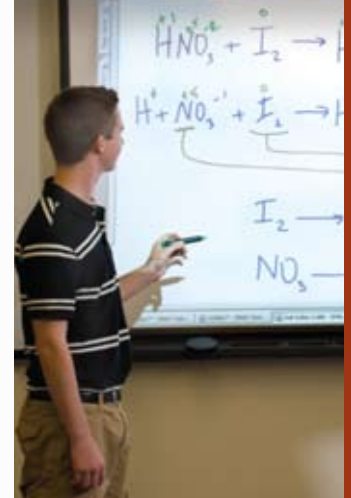

"The faculty and staff of MCP provide a level of dedication and commitment to their students that far surpasses the experiences of the Visiting Committee members. The school's 'Culture of Caring' is evident in every aspect of adult-student interaction, and it provides for a family atmosphere for the students."

WASC Accreditation Report, Spring 2008

At MCP, 100% of our graduates were admitted into colleges and universities this past year, receiving 1.3 million dollars of scholarship and grant money.

In the 2007-8 school year, a staggering 105 students earned a GPA of 4.0 or higher for both semesters – that's 37% of our student body over a 4.0 throughout the entire year!

Every classroom is equipped with Smartboard technology.

Over 70% of MCP students play at least one sport.

At the Olympic Trials last summer, MCP senior Jordan Hasay ran to a tenth place finish overall, smashing the national high school record along the way.

MCP has a full-time college admissions specialist who supports our students, utilizing a state-of-the-art admissions portfolio system called Naviance.

Our athletic facilities are some of the best in the county, featuring our state-of-the-art athletic field designed by an NFL turf-builder, as well as a beautiful indoor gymnasium.

MCP's Girls Varsity Basketball team has won 15 CIF sectional championships in a row.

MCP students are competitive in the National Merit Scholar Competition, with one semi-finalist and 5 commended scholars this year.

Last year, almost 20% of families received Tuition Assistance in the form of grants, work-study, and scholarships.

Two of our students placed 1st and 3rd, respectively, in a vocal scholarship competition sponsored through the Pacific Repertory Opera Company at Cuesta College last fall.

Our Performing Arts department is growing with offerings in musical theatre, pep band, dramatic plays, as well as band and choral class.

60% of our faculty has over 18 years teaching experience.

In the past seven years, our college acceptance rate is 96.5%.

Students create and 'own' clubs and activities.

25% of our school travels to Mexico on our Esperanza trip every summer to build houses.

Four MCP students in 2007-8 were named CIF Scholar-Athlete winners on both divisional and statewide levels.

Tutoring is available from every teacher after school for an hour each day.
