

There are a few ways for students to park who attend Mission College Prep:

- Palm Street Parking Garage: Daily max \$6 as of May 10, 2023
- Using a 10-hour permit which can be purchased at San Luis Obispo Parking Services
- Finding the RARE free spot on Peach St. between Old Mission School and Palm St.

For 10 Hour Permit Holders:

During Construction of the new parking and theater structure on the corner of Palm Street & Nipomo, San Luis Obispo Parking Services will be expanding the areas in which people with a 10 hour permit can park. Areas highlighted in Pink below are areas where 10 hour permits may not have been used in the past, but will be honored during construction, when the lot is closed.

10 hour permits can also be used in the standard 10-hour meter spots as shown in blue on the map below.
